

25 YEAR RE-REVIEW

25 JUL 1953

STAT

It was certainly nice to see you again  
and I enjoyed our visit very much. It is too  
bad that meetings of old friends have to be  
dictated by schedules, but I guess it is our  
own fault. I was particularly glad for my  
son, Chuck, to have the opportunity to meet you.

With kindest regards to you and your family,

Sincerely,

SIGNED

C. P. Cabell
